## Our Best Intentions

***“I do not understand my own actions. For I do not do what I want, but I do the very thing I hate” (Romans 7:15)***

This is how the Apostle Paul described his spiritual condition. Somehow, he could not translate his best intentions into the actions he wished to do. This is the dilemma that has afflicted all Christians who sincerely want to do God’s will.

Peter experienced it too. ***“Lord, I am ready to go with You both to prison and to death”*** (Luke 22:33), he declared, and he meant it. His best intentions were to stick with his Lord, no matter what. Yet Peter denied knowing his Lord, and, along with all the disciples, fled in fear the night of Jesus’ betrayal (Mark 14:50). What he wanted to do, he failed to do and ended up doing what he didn’t want to do. We understand that dilemma all too well. Like Peter, we weep when faced with our failures. But we do not have to despair. Because on our own we will fail, but with God who gives us the power of the Holy Spirit we can do great things. Things that we never thought possible.

Christ went to His death on Calvary in order to buy us back from sin and death and the shame of our failures. We are no longer captive to sin and immobilized by it. ***“No, in all these things we are more than conquerors through Him Who loved us”*** (Romans 8:37). Jesus lived the perfect life for us; and He gives us grace that forgives our failures and gives us more opportunities to bear the fruit he calls us to bear.

Sometimes I’ll catch myself dwelling on my past failures and sins. When that happens, I have to remind myself that these thoughts are not the work of God; rather they are the work of the enemy who wants to keep me stuck in the past and wants me to believe the lie that I will never be useful in God’s kingdom. Other times I catch myself dwelling on my past accomplishments. The enemy will also use this as an opportunity to lie to me and tries to make me think that I can do great things for God’s kingdom under my own power. Not only does this lie rob God of His glory it also sets me up for more failure and more discouragement. But, both of these lies are destroyed in the light of God’s word that says, ***“I can do all things through Christ who strengthens me”*** (Philippians 4:13).

The Education committee is very busy putting together the details for VBS. The activity will be held Sunday, June 23rd through Thursday, June 27<sup>th</sup> from 5:45 p.m. to 8:15 p.m. Again, this year we will be serving the children a meal at the start of the program. If you wish to help with VBS please come to the June Education meeting or see Norma Thierman to volunteer.

The Sunday Morning Study on Hymns is running and getting great reviews. It is open to anyone who wants to attend. It starts at 8:45 a.m.

The Sunday afternoon/Monday morning bible study is taking a break from The Chosen at this time. Once the final four episodes of season four become available we will meet again. Currently Terri is reviewing a study on King David to see if it is something we should do.

Remember that we have an elementary, upper elementary Sunday School programs and a Youth Sunday School program. Both of these start at 9:00 a.m. on Sunday mornings.

## Community Meals

The Free Meals continues to reach community and church members with food and fellowship once a month. This meal is always the last Saturday of the month. The June menu will be pulled pork and several sides. We hope you come and enjoy this unique meal that blends church and non-church folks into a fun group.

## Community Meals (continued)

While the meal is free, donations are accepted. Any funds donated go into the Community Meal fund to help purchase the meat or other main dish ingredients. If you are willing to help with the meal, come on the designated date at 4:00 p.m. to help set up and serve. If you want to help cook, please talk with Terri Pollard since depending on the menu the cooking start time varies.

## Trustees

Here are the updates on the latest Trustee Projects.

We are now actively looking at a small mini-van as the second form of transportation for the church. We still have the large 12-passenger van.

We are still working on replacing the fans in the sanctuary. The fans have been purchased and we are working on a lift to reach the ceiling and getting an appointment with our contractor to install them.

The lawn work crews are working each week on mowing, trimming and other various tasks. If you see something that needs done in the yard, please contact the Trustee Committee or Troy Withee.

We will be replacing the two ceiling lights in the Narthex just outside the Finance and Church office. Those fixtures are old and in need of replacement.

## Trustees (continued)

If you have something you think needs worked on in the church, please talk to a Trustee (see list of committee people posted in the Narthex) or send an email to the Trustees at [sumtrustees@aol.com](mailto:sumtrustees@aol.com). Thanks.

## Food Pantry

The Pantry dates for June are: Saturday, June 8th and Saturday, June 29th. The Food Pantry is open from 2:00 p.m. to 5:00 p.m. on each of those days.

Here are the numbers for April:

- Families 70
- People 227
- Pounds of Food In 1,154
- Pounds of Food Out 1,403
- Personal Items In 0
- Personal Items Out 14

Again, you can see our numbers are up. There are a lot of food-insufficient families out there that need help. If you are interested in seeing how the Food Pantry operates, please feel free to stop by one Saturday that we are open.

While I am writing this article before the Pack the Pantry operation sponsored by Hy-Vee and KCCI, the Food Pantry staff wants to thank anyone who helped with buying donations, working the Hy-Vee store location or helped get food off the Hy-Vee truck and into the pantry.

## Food Pantry (continued)

Even with the donations from the Pack the Pantry event, we could use the following items:

- Canned Soup
- Canned Fruit (Mandarin Oranges, Fruit Cocktail)
- Hamburger/Chicken/Tuna Helper
- Cereal
- Oatmeal
- Farina/Cream of Wheat
- Pancake Mix

There are items that the families like to get, so the donations go out as fast as they come in the door.

Thanks to each of you who purchased food each month to donate to the Food Pantry. While we buy as much as we can through the Food Bank of Iowa, your donations also support the pantry and these families

## UW Faith News (A.K.A) Petticoat Patter

Here I am again writing an article a few weeks before you actually read it. And I'm thinking about things we do in May.

In case you didn't know, I attend Renaissance Faires. Yes, I do dress up in period costume. I hate to say it but I now understand why some ladies had a 'lady in waiting'. It was probably her chore to help the Lady into and out of her corset. It does take two people to do that job. Then of course you can't go strolling without guards and protectors, so men are there for the ladies to rely on for other support.

But there is someone else we can rely on, and He doesn't help us dress. But He is always near and supportive. I speaking of course about Jesus. As a believer He is always by your side and ready to help with anything. All you need to do is ask and seek, which leads me to always think about Matthew 7:7 "Ask and it will be given to you; seek and you will find; knock and the door will be opened to you."

When you are searching for answers, worrying about things, or maybe feel a little down. Ask God for help, seek Him out through reading your Bible or a daily devotion, then knock on the door through prayer looking for Jesus and the Holy Spirit to help you. The answers and support will come your way. But be prepared to be like the persistent widow that Pastor talked about in May. Use the "P.U.S.H" method of prayer Pray Until Something Happens.

**UWFaith News (A.K.A)  
Petticoat Patter (continued)**

Then of course there is putting flowers on the graves of those we love. We go out as a family, my sister, myself, my niece, my great niece and sometimes my great nephew. It's a good time to talk about family ties (teaching family lineage to them) and have a bit of fun during the day. We also find an old grave that appears to have no one to attend it. We clean it and leave a small bundle of flowers. We don't do it to get recognition, we do it out of love and respect for someone else. (Take a look at Matthew 6:3 and see if this act is a good example of that.)

If I didn't say anything in the May article, I want to thank the men for their work at Ladies Night Out the first Friday in May. I also want to thank all the ladies who attended the dinner. I hope that you found the food tasty, the service great and the entertainment excellent. This is one of the fun things that the United Women in Faith unit gets to do for all the church members during the year.

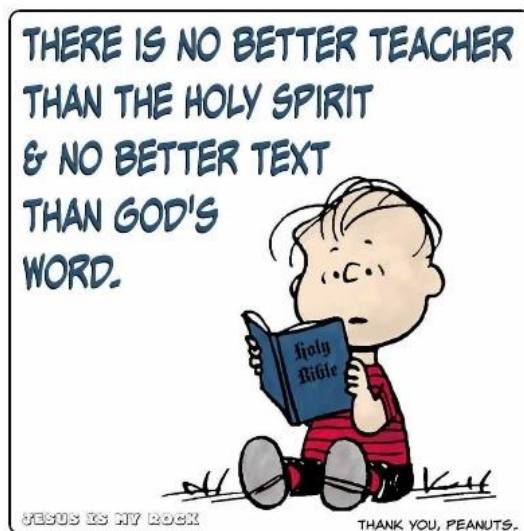

Our next fun activity is scheduled for the evening is scheduled for Sunday, July 29th when we host an ice cream social and hymn sing. The UWFaith unit provides the baked goodies and the ice cream, you get to provide the fellowship and the singing voices. Please mark your calendar to attend that event.

One last thing for me to bring up this month. Sleeping Mats made out of re-cycled plastic bags. We have a loom and are always working on a mat. Once the mats are

**UWFaith News (A.K.A)  
Petticoat Patter (continued)**

complete, they are donated to Urban Bicycle Food Ministry and delivered to the homeless. Anyone is free to take a few minutes before or after church or a meeting and cut a few bags, string them into plarn, or weave a few rows on the mat. There are several ladies that know the steps. Please stop and look at the mat and try one on the steps to make one. Each step is easy and you can contribute in many ways to this ministry.

All circles are now meeting on a regular basis. Please see the bulletin or the calendar here in the *Caller* for dates and times of the Dorcas, Esther, and Eve Circle meetings. Please plan to attend any or all of these circles for a short program or Bible study, fun, talk, and treats.

## CAT TASK FORCE UPDATE

Our goal is to listen, to respond, and to act.

The CAT Task Force met again on Tuesday, May 21, with 13 in attendance, to more deeply analyze the responses received to the six questions we asked the congregation in March. During April, the questions were summarized into several tasks and a report was provided at the Administrative Council meeting in May. The Ad Council approved the CAT Task Force to address specific tasks.

At our May 21 meeting, the CAT Task Force divided into three teams to further discuss each of the 135 responses received in March. The CAT Task Force meets again on Wednesday, May 29, to continue conversations to identify actions.

One main theme we found is the need for each of us to increase and to improve direct communication. Our objective is to address your suggestions that enhance the work of Staves Church for the Kingdom, while addressing our challenges. We want to build on our strengths and to find solutions for our concerns. How will we do this? A member of CAT Task Force may contact you for more information. We may ask you to volunteer your expertise and skills to move suggestions into reality. We are excited to become the church God intends.

## Mission For June

One of the most pervasive evils that is in Iowa is human trafficking. We sit at the crossroads of two major interstates where human beings, many of them children or women are shipped to all corners of the country. It also happens in our towns and cities. A parent or a sibling may traffic a family member for sex for money. The new person in the community who works for your neighbor may have had his or her passport taken away, putting them in a servitude position with little power. Who is going to believe the child? Who is going to believe the migrant? It is not a poverty issue, it is not a race issue, it is not a political issue. IT IS A HUMAN ISSUE.

Victims are controlled by the traffickers in many ways. Physical abuse or threats of abuse to family members; isolation, many times with others in the same situation; no financial means which binds them to the trafficker; no ability to communicate through phone or internet; removal of food, shelter or transportation to maintain compliance.

It can leave us helpless. We don't have to feel that way. Learn the signs of sexual and labor trafficking signs; educate yourself on what to look for and how to report and where; know the various agencies that work to stop trafficking. If you see something, report it. The National Human Trafficking Hotline is 888.373.7888. Don't think that someone else will do it.

There are in Iowa several shelters strictly for women and girls who have been trafficked. Wings of Refuge is located in Ames. The web site states that "We are a Christ-centered organization that provides opportunities for healing and restoration to survivors of sex trafficking and sexual exploitation. We do this by providing a long-term restorative safe home, meaningful work through a social enterprise, and transitional housing."

The last I knew, the average stay for a survivor was 2+ years. That was to get past the initial trauma. It takes time. These survivors will face the same PTSD that is found in veterans of war. For many, the fear of the trafficker is one of the hardest to deal with. There are shelters and support services in Des Moines, Cherokee, Carroll, Adel, Fort Dodge, Atlantic, Vincent, Dubuque, Eldora, Decorah, Malvern, and Clinton. We will be collecting money to send to Wings of Refuge to be used where it is needed most. Thank you for your help.
